

COLLEGE POLICIES AND NOTICES

Academic Freedom Statement

It is the policy of the Citrus Community College District to support the principles of academic freedom, built upon the free expression and exchange of ideas that are inherent in the search for scholarly truth and upon which a free and democratic society depends. The district affirms the use of a variety of teaching methodologies to fulfill its obligation to raise difficult and meaningful questions in the educational development of students. Faculty are entitled to freely discuss issues germane to their subject matter. This freedom involves the right to introduce controversial topics, as long as the manner of presentation involves objective reasoning and rational discussion.

Academic freedom must be balanced with the obligation of the district to protect the right of students to learn in an environment characterized by civility, open inquiry, and freedom from unlawful discrimination. While faculty have the right to present ideas and conclusions which they believe to be in accord with available evidence, they also have the responsibility to acknowledge the existence of different opinions and to respect the right of others to hold those views. Faculty and students have a responsibility to engage in teaching and learning that honors and respects divergent viewpoints that are grounded in cultures of reason, logic, evidence and responsible scholarship.

When faculty (or any other district employees) speak or write as citizens, care should be taken to avoid the representation of any personal view as that of the district or of Citrus College.

Discrimination & Sexual Misconduct Information (Title IX)

Citrus Community College District is committed to providing an educational environment that is safe and free from all forms of discrimination, sexual harassment, and sexual misconduct.

No community can be totally risk free in today's society. However, working together, students, faculty, staff, and visitors can help create an atmosphere which is as safe and crime-free as possible. Sections 66281.5 and 67385.7 of the California Education Code require that community college districts adopt and implement procedures to ensure prompt response to victims of sexual harassment and sexual misconduct which occur both on and off-campus, as well as, providing victims with information regarding post sexual assault treatment options and services.

Citrus College is proactive in offering a safe environment for students, faculty, staff, and visitors and will not tolerate sexual misconduct. For this, Citrus College offers prevention and education information and orientation programs about domestic violence, sexual assault, dating violence, and stalking to students, faculty, staff, and visitors to help prevent the risk of sexual harassment and sexual misconduct on or off-campus. Additional information is available through the Sexual Violence Prevention Statement on the Citrus College web site (<http://www.citruscollege.edu/stdntsrv/studentdean/ab1088>).

All Citrus College employees are deemed "responsible employees" and must report any violations or alleged violations of sexual harassment, sexual misconduct, domestic violence, dating violence, stalking, and retaliation involving students. A "responsible employee" who receives a

report of sexual harassment or sexual misconduct must promptly notify the Title IX Coordinator at (626) 914-8830.

Sexual Harassment (Board Policy 7102/Administrative Procedure 7101.1)

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of sexual nature when:

- Submission to the conduct is made a term or condition of an individual's academic status or progress;
- Submission to, or rejection of, the conduct by the individual is used as a basis of academic decisions affecting the individual;
- The conduct is so severe, pervasive, and objectively offensive that the victim is effectively denied access to an educational opportunity or benefit; or
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

Any student or employee who believes that he/she has been harassed or retaliated against in violation of Board Policy 7102 should immediately report such incidents by following the procedure described in Administrative Procedure 7101.1 entitled "Discrimination Complaint Procedure: Students." Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention. Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

To file a complaint on allegations of sexual harassment, discrimination, or retaliation based on a protected category against a College employee or student, contact the Title IX Coordinator at (626) 914-8830. To file a complaint, refer to Discrimination Complaint Procedures (Administrative Procedure 7101.1).

Sexual and Other Assault (Board Policy 3540/Administrative Procedure 3540)

Sexual assault is defined as any kind of unwanted sexual contact. This includes, but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault. Sexual violence may include sexual assault, rape, date rape, acquaintance rape, domestic violence, stalking, dating violence, forcing a person to watch/engage in pornography, harassment, exposing/flashing, voyeurism, and/or fondling.

Any sexual violence or physical abuse, including, but not limited to rape as defined by California law, whether committed by a student, faculty, staff or visitor, that occurs on District property, on college owned or controlled property, at college sponsored or supervised functions, or related to or arising from college attendance or activity is a violation of Board Policies and Administrative Procedures, and is subject to all applicable punishment, including criminal procedures and/or civil prosecution, and employee or student discipline procedures. Students, faculty, staff, and visitors who may be victims of sexual and/or other assaults shall be treated with dignity and provided comprehensive assistance.

Any sexual violence against the wishes and without the affirmative consent of the violated person, whether by a stranger or by an acquaintance, whether against a woman or a man, is a violation of the

law. "Affirmative consent" means affirmative, conscious, and voluntary agreements to engage in sexual activity. It is active, not passive. Silence, in and of itself, is not consent. Prior consent is not consent to future acts. A person must be fully conscious and aware of their actions to be able to give consent. This means that a person who is asleep, drugged, intoxicated, unconscious, a minor, mentally impaired, or incapacitated cannot give consent. Intercourse under any of these circumstances is rape.

Any person who has been the victim of sexual misconduct or who has information regarding sexual violence on campus is strongly urged to call 911 or the police or sheriff department in the city where the crime took place and report the situation as soon as possible. If you are the victim of sexual assault on or off-campus you may also:

1. Go to a safe place. If on campus, you may call Campus Safety 24 hours a day, 7 days a week at (626) 914-8611. You may also visit or contact the Student Health Center (SS 147) during business hours at (626) 914-8671.
2. Help preserve evidence. You do not have to decide immediately whether or not you want to pursue a criminal complaint. Collecting evidence immediately following an assault will be helpful if you decide to press charges later.
3. Seek emotional care and support. Don't try to deal with this situation alone. Call a friend, family member, or someone with whom you feel you can talk to. A 24 hour rape crisis hotline is available where help may be sought by calling (626) 793-3385.
4. Get medical attention as soon as possible to assess and treat physical injuries you may have sustained and to collect evidence of the assault. Choose to go directly to a hospital emergency room for medical care. Please keep in mind that there are many off-campus and confidential resources that can provide different support services to you in a time of crisis. This includes but is not limited to:
 - Rape Treatment Center offers a free rape exam with police officer authorization. Free rape exams are also available without police authorization, although police presence is strongly encouraged. (310) 319-4000, located at 1250 16th Street, Santa Monica CA.
 - Project SISTER Sexual Assault Crisis & Prevention Services offers immediate crisis assistance in seven languages, seven days a week. They also provide accompaniment/advocacy services in which trained volunteers support and advise survivors of sexual violence and child abuse at the hospital, police station, and during court appearances.
 - **24-hour hotlines:**
 - San Bernardino Sexual Assault Services: (626) 885-8884
 - Peace Over Violence: (626) 966-4155
 - Family Counseling Services (626) 308-1414
 - Glendora Police Department: (626) 914-8250
 - Foothill Presbyterian Hospital: (626) 963-8411
 - (909) 626-HELP (4357) or (626) 966-4155
5. If the perpetrator is a student at Citrus College, consider reporting the assault to the Manager of Human Resources & Staff Diversity/ Title IX Coordinator at (626) 914- 8830 and/or police. Telling the police does not commit you to further legal action. The Title IX

Coordinator, Campus Safety, and Student Health Center are campus Non-Confidential Resources.

Confidentiality and Privacy

The Title IX Coordinator uses discretion and seeks to protect the privacy of all persons involved in complaints of sexual harassment and sexual misconduct. Unless explicitly stated, persons or entities on campus are not confidential and may have an obligation to report your disclosure to the Title IX Coordinator at (626) 914-8830.

If you experience any type of sexual misconduct and want to speak to someone confidentially about your options, rights, and experiences, contact a confidential resource.

Student Rights and Privacy Act

Citrus College student records are maintained in accordance with the Education Code, Title 5, California Civil Code, and the U.S. Patriot Act. Written student consent is required for access and release of information defined as educational records in the federal and state laws as described in Citrus College AP 5040.

A student's directory information (student's name, participation in officially recognized activities and sports, weight and height of members

of athletic teams, dates of attendance and degrees and awards received, may be released upon request unless the Admissions and Records Office receives written notification that a student reserves the right to authorize, in writing and, on an individual request basis, the access and release of the directory information. Such notice of restriction will remain in effect until it is countermanded in writing.

Additionally, the law provides that a student may request access to the college records which are personally identifiable to that student, and may challenge the accuracy or the appropriateness of retention of information in the college record.

Student Right-to-Know

In compliance with the Student Right-To-Know and Campus Security Act of 1990, it is the policy of the Citrus Community College District and Citrus College to make available its completion and transfer rates to all current and prospective students. Student Right-To-Know (SRTK) refers to a federally-mandated public disclosure of a college's completion rate and transfer rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use in the determination of college choice. All colleges nationwide are effectively required to participate in the disclosure of rates by January 2000.

SRTK is a "cohort" study; that is, a group of students who are first-time freshmen, are enrolled full-time and are degree-seeking, is identified in a fall term and their outcomes are measured over a period of time. The outcomes that the two SRTK rates measure are completion (the total number of students in the cohort who earn either a degree, a certificate, or who successfully completed a two-year-equivalent transfer-preparatory program) and transfer (the total number of cohort non-completers who were identified as having enrolled in another institution). The tracking period of the cohorts is three (3) years, at which time the SRTK rates are calculated and made public.

SRTK Rates are derived and reported yearly on the IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey). The IPEDS-GRS also tracks part-time student cohorts over a six (6) year period; however, full-time cohort status after three years is the only basis for calculating SRTK rates.

Access to the Citrus College Student Right-To-Know Rates and further information about the rates and how they should be interpreted is available through the "Student Right-To-Know Information Clearinghouse" website (<http://srtk.cccco.edu>) maintained by the Chancellor's Office, California Community Colleges.

Questions concerning students' rights under the privacy act should be directed to the Admissions and Records Office, 626-914-8511.

Substance Abuse Policy

The Citrus Community College District prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on college property, and as part of any college sponsored or sanctioned event. In addition, the use of tobacco is prohibited in all district buildings and vehicles. (Citrus Community College District Board Policy 7103, Education Code 87335, Standards of Student Conduct, and U.S. Public Law 101-226).

Any student or employee in violation of this policy is subject to disciplinary action, up to and including, expulsion from college or termination from employment for violations of the standard code of conduct. The decision to take disciplinary action in any such

instance rests with the Board of Trustees after consideration of the recommendation of the Superintendent/President.
