

ADT IN ANTHROPOLOGY

The goal of the Anthropology program at Citrus College is to prepare students to develop a fundamental understanding of human behavior from biological, historical, cultural, and social perspectives. Anthropology analyzes the place of humans in the natural world and explores cultural assumptions across the globe.

The Associate in Arts in Anthropology for Transfer degree (AA-T) prepares students to continue their education at a four-year institution leading to a baccalaureate degree. Successful completion of the transfer degree in Anthropology guarantees the student acceptance to a local California State University. Students who complete this degree may also seek to continue their education at the University of California or other baccalaureate degree granting institutions, although admission is not guaranteed.
