

CERTIFICATE IN MANAGEMENT - LEVEL II

The Management - Level II Certificate of Achievement encompasses areas that include an overall study of human resources management issues that arise in the workplace, ethical issues that arise in organizations, and a working understanding of how managers use Excel and spreadsheets in organizations. This certificate is designed to enhance student knowledge in these areas to better prepare them for entry-level organizational management positions. The courses supporting the certificate combine classroom lectures, demonstrations, and a wide use of technology to ensure relevant training.

Learning Outcomes

Certificate of Achievement Level Student Learning Outcomes

Students completing the Management - Level II Certificate of Achievement will:

1. Develop an understanding of employment-related and ethical issues that arise in the workplace, so that they will be able to effectively analyze, evaluate, and apply those concepts in real-world workplace situations.
2. Develop necessary skills to meaningfully and effectively prepare, analyze, and evaluate data presented in Excel and spreadsheets and apply that information and those findings to real-world, workplace-related situations.
