

CERTIFICATES OF ACHIEVEMENT

Citrus College grants certificates of achievement in a variety of career/technical subject areas. These certificates of achievement may be used to verify a student's proficiency in the skills and knowledge needed for entry-level employment or for career advancement.

To earn a certificate of achievement, a student must satisfactorily complete 18 units or more in a specific sequence of required courses. The number of units will vary by program; many subject areas require more than 18 units. At least 50 percent of these required courses must be completed at Citrus College. A 2.0 GPA is required.
