IB Exam Notes:

CSU GE: The IB examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

Actual IB transfer credit awarded for these and other IB exams for admission is determined by the CSU. The CSU Policy for IB credit can be found on the CSU system website. See Use of Advanced Placement, International Baccalaureate, and CLEP Examinations at: <https://www2.calstate.edu/apply/transfer/pages/international-baccalaureate-ib.aspx>.

IGETC: IB exams must be used in area indicated regardless of where the certifying CCC's discipline is located. Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

Actual IB transfer credit awarded for these and other IB exams for admission is determined by the UC system. The UC Policy for IB credit can be found on the UC system website: <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>
