

CHILD DEVELOPMENT (CHLD)

CHLD 100

Introduction to Education and Teaching Grades K-12

3 Units (AA/AS; CSU)

54 lecture hours

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

This course is an introductory course for students wishing to explore the teaching profession in the K-12 setting. Topics include an introduction to teacher performance expectations and California Standards for the teaching profession. Other topics include pedagogical strategies, curriculum design, California subject matter standards, use of technology in today's classroom and the importance of current issues and legislation. In addition, students are REQUIRED to observe 45 hours in a PUBLIC ELEMENTARY CLASSROOM to complete the course successfully.

CHLD 110

Early Childhood Development

3 Units (AA/AS; Citrus D2; CSU; CSUGE D9)

54 lecture hours

Equivalent to: HDEV 110

Grade Mode: Pass/No Pass, Standard Letter

This introductory course examines the major physical, cognitive, and psychosocial developmental milestones for children from conception through early childhood. There will be an emphasis on interactions between maturational processes and environmental factors. While studying development, students will observe children, evaluate individual differences and analyze characteristics of development at various stages.

CHLD 111

Child Development Youth - Adolescence

3 Units (AA/AS; Citrus D2; CSU; UC; CSUGE D7)

54 lecture hours

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

This course examines the major physical, cognitive/language and psychosocial developmental milestones for children, both typical and atypical, from middle childhood through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development.

CHLD 112

Principles of Early Childhood Education I

3 Units (AA/AS; CSU)

54 lecture hours

Equivalent to: HDEV 112

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

This course is designed to introduce students to the theoretical principles of developmentally appropriate practice as applied to programs and environments with an emphasis on the role of relationships, constructive adult-child-parent interactions, and teaching strategies that support physical, social/emotional, creative and intellectual development for all young children regardless of their individual and diverse needs. Observation, analysis and assessment of programs for young children will be required. The course includes a review of the historical roots of early childhood programs and the evolution of professional practices promoting advocacy, ethics, professional identity and career pathways.

CHLD 114

Home-Child-Community Relations

3 Units (AA/AS; CSU; CSUGE D7)

54 lecture hours

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

The processes of socialization focusing on the interrelationship of family, school, and community. Examines the influence of multiple societal contexts. Explores the role of collaboration between family, community, and schools in supporting children's development.

CHLD 116

Introduction to Curriculum

3 Units (AA/AS; CSU)

54 lecture hours

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

Developmentally appropriate curriculum and environments for young children. Explores teaching strategies and curriculum development based on theoretical frameworks, observation, and assessment. Emphasizes the teacher's role in supporting development and learning across the curriculum, including the content areas of language and literacy, math, science, social studies, and creative experiences.

CHLD 120

Literacy for Children

3 Units (AA/AS; Citrus D2; CSU)

54 lecture hours

Grade Mode: Standard Letter

Strongly recommended: ENGL 101.

This course will explore teaching strategies, interactions and environments necessary to nurture language development and literacy skills during early childhood. Students will analyze developmentally appropriate curriculum that supports children's emerging listening, speaking, reading and writing skills. Students will survey children's picture books and learn techniques to enhance literacy development across the curriculum.

CHLD 121

Art for Children

3 Units (AA/AS; CSU)

54 lecture hours

Grade Mode: Pass/No Pass, Standard Letter

Students will gain knowledge of developmentally appropriate art activities to use with preschool and early-school age children. Students will evaluate art and crafts materials used with children to nurture the development of creativity. Students will design developmentally appropriate art curriculum and explore ways to support creative thinking and experiences for children. Students will gain appreciation for art and creative thinking within diverse cultures and society at large.

CHLD 122

Music and Rhythms for Children

2 Units (AA/AS; CSU)

36 lecture hours

Grade Mode: Pass/No Pass, Standard Letter

Strongly recommended: ENGL 101.

This course will provide the student with basic skills and techniques for using musical instruments, recordings and songs and develop rhythmic movement activities to use with preschool and early school-age children. Students will analyze, discuss and plan developmentally appropriate curriculum that supports children's music and movement appreciation, expression and knowledge. Previous music experience is not required.

CHLD 123**Science Experiences for Children****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course focuses on planning and implementing science experiences to engage preschool and early school-age children. Students will analyze and plan developmentally appropriate curriculum that supports children's understanding of life, earth and physical science concepts. This course provides exposure to formal, informal and incidental science activities and direct use of science materials to engage children's learning. Students will analyze the teacher's role in incorporating science concepts within the total program for children.

CHLD 124**Math for Children****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

The student will gain knowledge of practical mathematics activities to use with preschool and early-school age children. The student will plan developmentally appropriate math curriculum activities. This course focuses on analyzing relevant theories of child development to provide the student with opportunities to evaluate mathematical materials and activities for use in the early childhood education classroom.

CHLD 130**Infant Development and Group Care****3 Units (AA/AS; Citrus D2; CSU)****54 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course focuses on the development of the infant and on the dynamics of infant group care. Emphasis will be on the translation of theories of development to appropriate practices in the classroom environment. Methods of providing care designed for physical, emotional, social, and intellectual development will be stressed. Appropriate culturally sensitive care of infants and toddlers is addressed. The health and safety requirements of the state and county are included.

CHLD 134**Parent-Child Interaction****3 Units (AA/AS; Citrus D2; CSU)****54 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course explores dynamics of the parent-child relationship. Students will analyze the process of being a parent, stages of parenthood, and consider both internal and external forces that influence parent-child interactions. A focus on children from birth to adolescence will include understanding developmental needs. A problem solving approach to the parent-child interaction will be examined to promote positive relationships within a harmonious family atmosphere.

CHLD 144**Health, Safety and Nutrition for Young Children****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course provides an overview of laws, regulations, standards, policies, procedures, and best practices related to health, safety, and nutrition in early childhood settings. Includes prevention strategies, nutrition, and meal planning for various ages and planning educational experiences to teach children positive health, safety, and nutrition habits. Key components that ensure physical and mental health and safety for both children and staff will be identified. Emphasis will be placed on the importance of collaborating with families and health professionals.

CHLD 150**Teaching in a Diverse Society****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

Examines the impact of various societal influences on the development of children's social identity. Covers developmentally appropriate, inclusive, and anti-bias approaches. Self-examination and reflection on issues related to social identity, stereotypes, and bias will be emphasized.

CHLD 154**Observing and Recording Behavior****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Prerequisite(s): CHLD 110 or PSY 206; CHLD 112.*

This course focuses on the appropriate use of assessment and observation strategies to document development, growth, curriculum and activities in early childhood. Emphasizes use of findings to inform and plan learning environments and experiences. Recording strategies, rating systems, portfolios, and multiple assessment tools will be explored, along with strategies for collaboration with families and professionals.

CHLD 156**Practicum in Early Childhood Education****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Prerequisite(s): CHLD 112, CHLD 114, CHLD 116 and CHLD 154; CHLD 110 or PSY 206.**Co-Requisite(s): CHLD 156L.*

This course is designed to provide the student with opportunities to plan and implement developmentally appropriate activities in an early childhood setting. Emphasis is placed on developing professional relationships, planning and implementation of curriculum, environment design. A variety of programs and philosophies will be examined. Students will use practical classroom experiences to make connections between theory and practice and are required to be registered in CHLD 156L concurrently.

CHLD 156L**Practicum Lab****1 Unit (AA/AS; CSU)****54 lab hours****Grade Mode: Standard Letter***Prerequisite(s): CHLD 112, CHLD 114, CHLD 116 and CHLD 154; CHLD 110 or PSY 206.**Co-Requisite(s): CHLD 156.*

The student will have the opportunity for application of acquired knowledge and teaching skills directly in the early childhood classroom. The students will gain experience teaching activities to children and developing a professional attitude. NOTE: This class should be taken at the same time as CHLD 156 Practicum.

CHLD 160**Perceptual Motor and Movement Activities****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course will focus on evaluation of motor skills, planning and implementation of perceptual motor and movement activities appropriate for normal and motor-delayed young children. Emphasis will be placed on the role of the physical and psychomotor domain in the total development of the young child. Developmental motor activities will be examined that aid children in acquiring movement abilities and fitness, as well as facilitate social interaction and cognitive development. Participants will develop movement experiences for use in the classroom and in the planning of a motor development curriculum.

CHLD 164**The Child with Special Needs****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

A presentation of different types of atypical development that interfere with physical, cognitive, social, behavioral and emotional growth from preschool through early school-age children. Emphasis on the importance of cultural sensitivity and family partnership. Includes an overview of historical and societal influences, laws relating to children with special needs, and the identification and referral process.

CHLD 166**Speech and Language Development and Disorders****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course will cover children's acquisition of speech and language skills from birth to age five. Emphasis will be on normal language, articulation, fluency, and voice development. Included will be children's language learning strategies, adult teaching strategies, language and cultural differences, and an overview of communication disorders, as well as appropriate referral to a professional.

CHLD 168**Development Risk: Infants and Toddlers****2 Units (AA/AS; CSU)****36 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This class introduces the student to early intervention strategies that are positive and cost-effective for use with children who are developmentally delayed or at risk for developmental delay. Information on Early Intervention Part C of IDEA is included. Specific strategies for developmental intervention and child abuse reporting are also included. This class is appropriate for all professionals and paraprofessionals working with young children.

CHLD 169**Positively Guiding Challenging and Disruptive Behaviors****1 Unit (AA/AS)****18 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This course provides an overview of challenging and disruptive behaviors in preschoolers. Students will analyze behavioral issues and explore strategies for nurturing children's developmental needs. Students will develop positive guidance techniques for modifying inappropriate behaviors. Topics of study include attention deficit disorder, aggression and other related topics.

CHLD 181**Infant and Toddler Caregiver: Relationships****1 Unit (AA/AS)****18 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This is one of four one-unit classes in Infant and Toddler Caregiving based on the Responsive Caregiving approach. Students in this class will examine the impact of teacher/parent relationships on the quality of Infant and Toddler Caregiving and review and evaluate techniques for supporting families. This class partially meets the licensing requirement for 3 units in infant and toddler care and development.

CHLD 182**Infant and Toddler Caregiver: Socialization and Emotional Development****1 Unit (AA/AS)****18 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This is one of four one-unit classes in Infant and Toddler Caregiving based on the Responsive Caregiving approach. Students in this class will study infant and toddler temperaments, stages of social and emotional development, appropriate guidance, and responsive curriculum for group care. This class partially meets the licensing requirement for 3 units in infant and toddler care and development.

CHLD 183**Infant and Toddler Caregiver: Learning and Development****1 Unit (AA/AS)****18 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This is one of four one-unit classes in Infant and Toddler Caregiving based on the Responsive Caregiving approach. Students in this class will learn to recognize cues and to follow the child's interest in order to facilitate the infant's or toddler's discoveries and learning. Understand the process of growth and change in intellectual/mental abilities such as thinking, reasoning, and understanding. Students will learn to base the curriculum on the child's interest and readiness. This class partially meets the licensing requirement for 3 units in infant and toddler care and development.

CHLD 184**Infant and Toddler Caregiver: Environments and Routines****1 Unit (AA/AS)****18 lecture hours****Grade Mode: Standard Letter***Strongly recommended: ENGL 101.*

This is one of four one-unit classes in Infant and Toddler Caregiving based on the Responsive Caregiving approach. Students in this class will learn to set up a safe, intimate, and interesting environment for infants and toddlers. They will also learn to evaluate infant and toddler care environments in terms of health and safety issues. Students discuss how to intentionally plan indoor and outdoor play environments. This class partially meets the licensing requirement for 3 units in infant and toddler care and development.

CHLD 190**Administration of Early Childhood Education Programs I****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Prerequisite(s): CHLD 112 and CHLD 114; CHLD 110 or CHLD 111 or PSY 206;**Students who meet one of the following conditions may take this course:*

(1) Students who possess a California Child Development "Teacher" level permit on the statewide permit matrix or (2) Students with two years of work experience at the teacher level in early childhood education.

This course is an introduction to the basic principles of administration of early childhood education programs. Includes specific topics of curriculum development and evaluation; staff selection, supervision and evaluation; laws and regulations; site development and supervision; budgeting and fiscal management; parent education; health and safety supervision; time management and problem solving techniques. This class meets state requirements for supervision of Title XXII preschool programs. This course is designed to fulfill three of the six semester units of administration required for the site supervisor permit.

CHLD 191**Administration of Early Childhood Education Programs II****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter**

Prerequisite(s): CHLD 112, CHLD 114 and CHLD 116; CHLD 110 or PSY 206; Student may substitute other courses for CHLD 112 but must have 12+ units of child development.

Introduction to the policies and procedures specific to state funded programs. Includes Title V regulations, evaluation of programs utilizing the state mandated Program Quality Review, development of proposals and grant requests for state or other funding, process of promulgating regulations, affecting proposed regulations, staff development and training, development of program policies. Includes reflective practices for a diverse and inclusive early care and education program. This course is designed to fulfill three of the six semester units of administration required for the Site Supervisor Permit.

CHLD 194**Adult Supervision and Mentoring****3 Units (AA/AS; CSU)****54 lecture hours****Grade Mode: Standard Letter***Prerequisite(s): CHLD 156 and CHLD 156L.*

This course covers all aspects of supervising the adult learner in Early Childhood Education programs including: policies and procedures for selection and supervision of staff, professional development, leadership and motivation, team building, conflict resolution, and supervision and evaluation. Emphasis is on the roles and development of early childhood professionals as mentors and leaders.
