Suggested Reading Other Than Required Textbook

Electronic or print versions of local newspapers
Review web and print material related to the various cultures, religions and practices of people throughout the U.S. and world populations

Examples of Required Writing Assignments

Students will identify a local community issue, review literature and electronic databases to gain information about the topic and prepare a four to five page report in APA format which identifies the topic and provides statistics and/or examples of the issue and its impact on the relationship between the community and the administration of justice system. Students will identify and recommend a strategy to minimize conflict and enhance this relationship.

Examples of Outside Assignments

Students will review text material and instructor prepared material to prepare for class discussions

Review class notes and handouts and assigned readings to prepare for quizzes and exams
Complete on line extra credit assignments if appropriate
Conduct research and prepare a written report demonstrating the ability to conduct research and critically assess material.

Instruction Type(s)

Lecture, Online Education Lecture
