Catalog Course Description

This course prepares high-intermediate and advanced ESL students for college-level writing and reading. It provides a review of English paragraph writing fundamentals and focuses on critical thinking and essay composition. It also aims to improve reading skills and analysis of academic texts. Students will develop reading comprehension skills, improve vocabulary through context and word stem study, and practice summarizing and paraphrasing techniques. Students will work on adopting American discourse in composition, and will work on reading skills in order to prepare for college-level coursework. This is one of two courses in ESL Level 5. 90 lecture hours.

Course Objectives

- Apply prewriting and outlining skills to develop strong paragraphs and essays.
- Understand and apply American discourse pattern to writing.
- Understand and use Unity, Support, Coherence, and Sentence Skills in writing academic essays.
- Write compositions that develop a topic or thesis in a coherent and unified manner and that have clearly delineated beginnings, middles and ends.
- Demonstrate reasonable control of commonly recurring grammatical errors.
- Use Pre-reading strategies to improve reading comprehension.
- Use a variety of reading strategies for text analysis.
- Increase academic vocabulary through word stems, word building, and context reading skills.
