Catalog Course Description

An intermediate level technique class for violin, viola, cello, and string bass, including instruction in stringing, tuning, fingering, playing techniques, reading notation, and playing compositions. 54 lecture hours.

Course Objectives

- Students will be able to demonstrate string instruments with increased awareness of physical efficiency and proper use of the body.
- Demonstrate the care of the instrument and minor repairs, including how to straighten a bridge, how to replace strings, etc.
- Demonstrate instrument assembly, bow assembly, and the proper method for tuning.
- Demonstrate right-hand and left-hand facility with good finger placement and improved intonation.
- Demonstrate fundamental practice techniques for string playing at an intermediate level.
- Students will identify and demonstrate musical style in string performances at an intermediate level.
- Demonstrate a proper right-hand bow hold for elements of good tone production at an intermediate level
- Demonstrate the development of the bow stroke and tone quality at the intermediate level.
- Demonstrate common bow techniques, styles, and pizzicato at the intermediate level.
- Students will become familiar with intermediate-level scale and arpeggio studies.
- Students will show increased awareness of musical concepts and terminology related to string performance at the intermediate level.
- Students will study intermediate-level string literature and methods.
- Student will become familiar with string ensemble materials.
- Students will identify all parts of the string instruments.

Major Course Content

1. Explanation and demonstration of proper posture and grasp of the instrument with repetitions of the process by each student at the intermediate level.
2. Explanation and demonstration of technique of holding the bow and application of bow to the strings at the intermediate level.
3. Focus on vibrato, shifting, left-hand and right-hand facility and tone production at the intermediate level.
4. Study of intermediate-level orchestral literature, chamber music literature, and solo literature.
5. Full bow open string exercises commence with emphasis on producing a beautiful tone at the intermediate level.
6. Focus on technical development and sight-reading at the intermediate level.
7. Perform intermediate-level melodies as demonstrated by the instructor through listening and class repetition.
8. Intermediate-level scales are introduced, explained, demonstrated, and then practiced through class repetition.
9. Instruction on proper care and maintenance of string instruments.

Examples of Required Writing Assignments

Three 1-2 page essays on string techniques, instrument maintenance, orchestral composers.

Examples of Outside Assignments

Individual practice and rehearsal of exercises and techniques provided by the instructor

Memorization of chord and scale patterns, common terms, and techniques as related to the guitar

Selected listening to guitar music of various styles

On-campus and off-campus live performances

Instruction Type(s)

Lecture
