

ADT IN BUSINESS ADMINISTRATION 2.0

Business is the study of the practices and products of commerce.

The Associate in Science in Business Administration 2.0 for Transfer (AS-T) provides lower division preparation for students planning to transfer into business or business administration programs. Students will take courses in business as well as related fields required for business majors. This degree can lead students into several areas of concentration at four-year universities, including the following: business management, business law, marketing, finance, business ethics, and business communications.

Learning Outcomes

A.S.-Transfer Degree Level Student Learning Outcomes

Students completing the Business Administration 2.0 A.S.-Transfer Degree will:

1. Effectively communicate within business organizations.
2. Critically analyze business issues.
3. Understand the functions of business management and their impact on organizational performance.
4. Understand the environments that impact on organizational growth.
