

# PROGRAMS OF STUDY

---

Citrus College grants associate degrees in 76 fields of study, including 34 Associate Degrees for Transfer (<http://catalog.citruscollege.edu/programs-study/associate-degrees/>) and 43 local AA and AS degrees (<https://catalog.citruscollege.edu/programs-study/associate-degrees/#associatedegreesaaastext>). The College offers a total of 119 certificates of achievement (<https://catalog.citruscollege.edu/programs-study/certificates-achievement/>), non-credit certificates of competency/completion (<https://catalog.citruscollege.edu/programs-study/noncredit-certificates-competency-completion/>) and skill awards (<https://catalog.citruscollege.edu/programs-study/skill-awards/>) in 58 academic and career/technical areas.

These programs offer a variety of academic and career preparation programs that appeal to a variety of interests and provide students with the skills and knowledge needed to transfer to a four-year college, to establish a career—or to achieve both opportunities. In addition to preparing students to enter the professions or acquire jobs that require a bachelor's degree or higher, the college offers courses of study that prepare students for jobs in areas such as automotive technology, health care, law enforcement and information technology.
